This matter is before the Court regarding the conditions of Defendant's pretrial release.

On November 18, 2020, following a bond revocation hearing, Defendant was allowed to remain on pretrial release subject to additional conditions, including the imposition of a curfew as directed by the pretrial services office, and with electronic monitoring to the extent such monitoring is available in the Eastern District of Tennessee where Defendant is being supervised.

The undersigned has now been advised by the Probation Office that location monitoring is available in the Eastern District of Tennessee but that the policy of the Probation Office in the Eastern District of Tennessee requires curfew hours to be set by the Court.

Consequently, the undersigned intends to alter Defendant's amended release conditions to include specific curfew hours.

Should either party have any objection to Defendant's curfew hours being set as 6:00 am to 8:00 pm, they should file such objections no later than NOON on November 20, 2020.

IT IS SO ORDERED.
